Moratorium on Metal Roofs

~~Pursuant to Article 10.1 and 10.2 of the Master Covenants and Restrictions the Master Board of Directors is installing a moratorium on metal roofs or any roof other than shingle or tile. The Board of Directors along with its ARC (Architectural Review Committee) will do its utmost to expedite a resolution to this matter. This moratorium will be enforced until rescinded by the Board of Directors.~~

~~This moratorium was passed by the Board of Directors on March 7, 2013.~~

RESCINDED 03/09/2013
