

EMERGENCY HOMEOWNER INFORMATION FOR HOA LAKE TEMPLE

Many of us at Lake Temple are part time or take extended vacations leaving our homes vacant during these periods. There should be someone watching your home in your absence. It is important that should any emergency arise, and the owner cannot be reached, a number of a relative or friend should be available.

The HOA will keep this form on file for that purpose, so please take a moment to fill it out and return it to any member of the Board.
